Press Release

Saudia Cargo appoints ATC as new GSSA in South Africa

ATC Aviation Services was appointed as the GSSA for Saudia Cargo in South Africa

ATC Aviation Services is the new General Sales and Service Agent for Saudia Cargo in South Africa starting May 1st, 2018.

Saudia Cargo, a multi-award winning cargo service provider is located in The Kingdom of Saudi Arabia, from where the airline provides airfreight service to more than 230 destinations. The substantial global network offers secure and convenient connections through local and international hubs.

The carrier already has a successful partnership with ATC in Brazil.

Stuart Tonkin, ATC's Country Manager South Africa: "We warmly welcome our partner Saudia Cargo. We are confident that we will further increase the awareness of Saudia Cargo in this region with our experience and industry knowledge."

ATC Aviation Services AG with its head office in Frankfurt was established in 1971. With a world-wide portfolio of more than 70 airlines in 15 countries ATC is one of the leading GSA/GSSAs in the air freight industry. Further information to ATC: www.atc-aviation.com.
