Press Release

## New GSSA for Alitalia in Chile

As from Nov 1st, Pacific Feeder Service S.A. – an ATC Aviation company, is now appointed as new GSSA partner for Alitalia in Chile.

Alitalia's cargo hub is located at the Rome airport in Fiumicino. The integration with an efficient Road Feeder Service (RFS) extends the company's geographical coverage. It provides service to some of the most important international and intercontinental cargo destinations. Alitalia's network covers main cargo destinations like Santiago de Chile, New York, Boston, Miami, Tokyo, Seoul, Delhi and a lot more.

Alitalia is a member of SkyTeam Cargo, the main alliance of cargo airlines in the world.

Alitalia operates five weekly flights with Boeing 777-200 from SCL – FCO and connections to all of Europe, the Middle East, Africa and Asia.

ATC Aviation Services AG with its head office in Frankfurt was established in 1971. With a world-wide portfolio of more than 70 airlines in 22 countries ATC is one of the leading GSA/GSSAs in the air freight industry.
